Covid-19: Office Closure

Like most organisations, Success4All continues to closely monitor the situation with Coronavirus (COVID-19). We are following and acting in accordance with the latest government advice and guidance as they are being published.

To protect the health and wellbeing of our staff, parents, volunteers, children and young people who use our services, we closed all of our front-line services and our office as of Friday 20th March and changed to working remotely until further notice. Any planned Learning Bus events and STEM challenges have temporarily been placed on hold, until the end of May. Success4All trustees will meet at the end of April to review the situation and will update all service users on our next actions.

Our current priority is to make sure that the families that need our support can contact us. Therefore, all staff and Learning Hub Coordinators have full access to their phones and emails during this time. If you would like to contact us, please do so using their individual email or phone number. This contact information can be found on our website. You can also still call us using our office number: 0191 273 2229. We are considering hosting some Facebook Live Q&A sessions to answer any questions on school closures, exam fears, revision help, tutoring help etc. Please do let us know if you like this idea. If you have a question, please contact your Learning Hub Coordinator or busola@s4a.org.uk

On all our social media platforms, we are also posting daily learning activities that the whole family can get involved in.

Whilst so much time is being spent at home comes with many challenges, it also gives us an opportunity to spend time bonding as a family and taking time to reflect on what is important to you and your family.

Please take care of yourselves and the community. Stay at home, stay healthy and stay happy.

Tune in every day for:

- Wax Lyrical Mondays
- Let's Create Tuesdays
- We're Well Wednesdays
- Investigative Thursdays
- Show and Tell Fridays
