ABOUT US

Success4All is a North East educational charity preparing children and young people for a brighter future.

Since our inception in 2006 by Caroline Afolabi-Deleu, Success4All has continued to work tirelessly to build a future where a child's ambitions are never limited by their circumstances.

Thanks to the generosity and goodwill of over 1,900 volunteers and funders who share our vision, Success4All has supported over 13,150 children and young people from the North East across all of our services, which include:

- Tutoring & homework support
- STEM outreach
- Language Outreach
- Youth programmes
- Holiday & afterschool Clubs

LEARNING HUBS

**SAFE, SUPPORTIVE, AND NURTURING SPACES WHERE
CHILDREN AND YOUNG PEOPLE CAN THRIVE**

WHY WE'RE FUNDRAISING

WE BELIEVE EVERY CHILD DESERVES AN EQUAL OPPORTUNITY TO SUCCEED AND REACH THEIR FULL POTENTIAL.

For over a decade, our community has relied on our Learning Hubs as spaces where children and young people (young learners) are engaged, equipped and empowered.

Parents and guardians bring their young learners to receive tutoring and mentoring but also to feel part of cherished members of our community.

Our Learning Hubs encompass our communities here in the North East. They are diverse, full of life and always inspiring.

Before the pandemic, Success4All operated 8 Learning Hubs across the region, however ever since, we have struggled to secure the funding to reopen all of them again.

It was only towards the end of 2022 that we were finally able to reopen our first Learning Hub in Benwell. There, we supported 29 young learners with their SATs and GCSEs.

Candy, age 12, was one of those young learners.

The Learning Hub not only allowed her to accelerate her English learning but also helped her to adapt to life in a new country.

"Success4All has helped me with my **knowledge** and trying to adapt to the new country I had just moved to. Now, I think I have a **good education**. I have enjoyed **meeting new people** and **interacting** with **tutors**. I have **learned lots** of things I did not have knowledge of before."

THE IMPACT

DESPITE THEIR HIGH CAPABILITIES, DISADVANTAGED PUPILS OFTEN FEEL THAT THEY DON'T STAND A CHANCE IN LIFE.

As an educational charity, we firmly believe that having access to good quality education remains one of the most effective ways of improving social mobility and tackling inequality. Academic performance is not the only marker for success, but it is an essential tool that can help young people achieve their full potential.

Our Learning Hubs make a real difference.

They are safe, supportive, and nurturing spaces where children and young people can thrive. Here, they are engaged, equipped, and empowered by volunteer tutor befrienders who guide them towards success. Our Hubs are not just places of learning; they are vibrant communities where children access crucial resources, receive homework support, build confidence, and most importantly, have fun.

With your support, Success4All will be able to reopen our Learning Hubs in Newcastle upon Tyne, Gateshead & North Tyneside.

We can provide young learners with a safe, supportive, and nurturing learning environment, access to learning materials, laptops, and resources, and trained peer tutor befrienders who can provide them with valuable one-to-one tutoring and guidance.

Now more than ever, children and young people in our community need your support.
